MANAGING RESOURCES IN A :
MULTITHREADED PROCESSOR :

DECISION

ON PETITION UNDER

37 CFR 1.137(b)

This is a decision on Petition Under 37 CFR 1.137(b), filed on November 26, 2004.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the corrected drawings in a timely manner, in reply to the Notice of Allowability mailed May 28, 2004, which set a period for reply of three (3) months. Accordingly, the above-identified application became abandoned on August 30, 2004 (since August 28, 2004 was a Saturday). A Notice of Abandonment was mailed on November 8, 2004.

Petitioner has met the requirements for revival under 37 CFR 1.137(b). Petitioner submitted the required reply in the form of corrected drawing figures, which have been approved by the USPTO draftsman (see attachment), paid the petition fee and made the required statement of unintentional delay. No Terminal Disclaimer is required because this application was filed after June 8, 1995. Accordingly, the petition is granted under 37 CFR 1.137(b).

This application is being referred to the Publishing Division.
